PROJECTS

• BITBOX | MERN STACK TECHNOLOGY

Bitbox is a friendly community where people working on projects can help each other. If you're stuck or need advice, you can ask for help. If you know something, you can share your knowledge. It's all about supporting each other and building a helpful community.

• PORTFOLIO WEBSITE | HTML CSS JAVASCRIPT

Crafted a sleek portfolio showcasing my expertise, projects, and skills, providing a comprehensive overview of my professional journey.

• COLLEGE MANAGEMENT SYSTEM | MERN STACK
